

DREAM WEDDINGS

THE MOST ROMANTIC WEDDING EXPERIENCES ON LAND—OR SEA

Few venues rival the romance of a Holland America Line cruise.

A great love should be celebrated, and what better way to do that than with a destination wedding on Holland America Line? On board, everything revolves around romance: spacious guest rooms with private verandahs, candlelit dining rooms, teak promenade decks perfect for moonlight strolls. It's no wonder that Cruise Critic named Holland America Line one of the "10 Best Cruise Lines for Weddings."

A PERFECT DAY

Your wedding day, an event you've dreamed of for a lifetime, is one of those great moments in life best entrusted to the expert wedding coordinators at Royal Ocean Events.

For every onboard wedding ceremony, your personal wedding coordinator will handle all the details — flowers delivered, cake decorated, sparkling wine poured into flutes — so you can relax.

PRIVATE ISLAND WEDDING

Instead of walking down the aisle, why not stroll on a white-sand beach to a quaint little chapel on Half Moon Cay, our private paradise in the Bahamas? Say "I do" in satin and flip-flops, photograph the wedding party on the beach, and dance to calypso rhythms. Half Moon Cay has been named "Best Private Island" in both *Porthole Cruise Magazine's* and *Travel Weekly's* Readers' Choice Awards.

START YOUR ADVENTURE

Where in the world would you like to begin life together? Atop an Alaskan glacier, the sunny Caribbean, the romantic Hawaiian Islands or Australia? The choices before you are nearly limitless — as expansive as the stretch of ocean off the rail.

A MEMORABLE EXPERIENCE FOR YOUR GUESTS

One of the great things about combining your wedding with a Holland America Line cruise is that we make it easy to cruise as a group. Our cruises offer something for everyone, from children to adults. Every day aboard a Holland America Line ship brings a wealth of activities and indulgences, along with the freedom to partake in as many or as few as you please. It's a fabulous way to share your very special occasion.

EXCEPTIONAL VALUE

The average price of a wedding in North America is over \$30,000 — not including the honeymoon. Your wedding and honeymoon on board a Holland America Line ship runs a fraction of that price! Your honeymoon cruise covers accommodations, dining, entertainment and a host of extras. Our cruises offer something for everyone. It's a fabulous way to share your special occasion at an exceptional value.

DETAILS, DETAILS

To help you plan an extraordinary wedding, here are some pointers from Holland America Line's wedding planner, Royal Ocean Events:

- Anchors Away (Harborside) weddings are performed on the day of sailing, prior to the ship departing, either at 12:30pm or 1:30pm. Ashore weddings are also available at ports of call during the cruise. Ceremonies performed at sea are symbolic and not legal.
- The wedding couple must be sailing to hold a ceremony on board a ship and must book their cruise prior to booking their wedding package
- All weddings are paid upon booking, and all ceremony extras must be booked and paid for as early as possible. No additions or changes are possible less than thirty (30) days prior to sailing date.
- The wedding couple is responsible for obtaining a valid marriage license. Our wedding coordinators will assist you with the process by providing the necessary information for each specific port.
- We strongly recommend that the wedding party arrive at least one day prior to sailing to avoid late flights, traffic and other possible interruptions on the wedding day. It is the wedding couple's responsibility to arrive at the wedding on time.
