# MORE THAN A CRUISE. A CULTURAL JOURNEY.

EXCLUSIVELY ON MAASDAM

*This is travel at its most rewarding: customized, personal experiences that inspire understanding, appreciation and a lasting kinship with the people of our planet. Come, savor the journey, only on Holland America Line.*

## YOUR JOURNEY, YOUR PASSION

We've created an innovative and customized approach to cruising, specifically aimed at seasoned travelers who are curious, thoughtful and eager to find new ways to see and understand the world.

EXC In-Depth™ Voyages will enable guests to explore the most fascinating corners of the globe through the prism of their own personal interests and passions.

## EXPLORE WHAT MOVES YOU

Each voyage offers onboard lectures, workshops, performances and tastings that are grouped around our six themes and designed to foster an in-depth exploration of the people, places and cultures you'll visit. Themes include Photography; Food, Wine & Spirits; Active Exploration; Nature and Science; History and Perspective; and Arts and Culture. Guests can sample activities from different themes throughout their journey.\*

The exploration continues on shore with exclusive, expert-led EXC Tours™ and new Zodiac experiences. Join chefs, naturalists, artists and adventurers for an insider's perspective on the places they know best. Board our nimble Zodiacs and discover remote beaches in the Fiji archipelago or wind up Melbourne's Yarra River for a unique look at the city's landmarks.

Through a fulfilling combination of onboard enrichment and onshore activities, our subject matter experts will guide guests through the experiences of a lifetime, whether it's photographing the swirling colors of a Tahitian open-air market, snorkeling with sea lions in the waters off the Baja Peninsula or foraging for fresh seafood in New Zealand.

Guests can expect the same classic style, gracious and intuitive service, attention to detail, award-winning dining and almost everything else they've come to love and expect from Holland America Line. These voyages are also designed with more focus on the destination and will emphasize onboard learning and cultural immersion and workshops.

Our Mainstage production shows will be replaced with evening entertainment that will more often and more intimately reflect the local culture. Instead of America's Test Kitchen, these voyages will bring local chefs, locally sourced ingredients and local culinary traditions on board to enhance the culinary offerings loved and expected by Holland America Line guests. And while many of the EXC In-Depth activities will be suitable for children, Club HAL® will not operate on these voyages.

## ELEGANCE MEETS EXPLORATION

Our EXC In-Depth™ Voyages are aboard *Maasdam*. Her timeless elegance, warm teak, museum-quality art, well-appointed staterooms and attentive service have made her a longtime favorite of Holland America Line guests. Mid-sized and nimble, *Maasdam* can slip into smaller, less-visited ports as well as the world's signature harbors. With accommodations for some 1,200 guests, the ship is well-suited to small-group workshops, seminars and learning opportunities.

\* More details on each of these offerings are still being developed and will be communicated when available. Surcharges apply to EXC Tours™ and some onboard programming.

# CRUISE FARTHER, DELVE DEEPER

*Each voyage offers a choice of six different themes for an in-depth exploration of the people, places and cultures you'll visit.*

## NATURE AND SCIENCE

Our planet was literally shaped by forces of nature and climate. Study the dramatic creation of our natural world—from the tectonic event that created the Australian landmass to the awesome power of Indonesia's Krakatoa Volcano.

## ACTIVE EXPLORATION

There's no more exhilarating way to experience new places than to stroll, walk, snorkel, boat or paddle through them. EXC Tours™ bring you closer to the spectacular fauna, flora and ecosystems that distinguish the places you'll visit.

## FOOD, WINE & SPIRITS

Food is the gateway to understanding more about a culture. This theme plans to focus on an immersive journey into the culinary history and traditions of each destination, including specially prepared port-to-table meals using fresh, local ingredients.

## ARTS AND CULTURE

For 20,000 years people have turned to artistic expression to tell the stories of their cultures. With this theme, the world becomes a living museum as you encounter the great works of art in each destination.

## PHOTOGRAPHY

Photos are the visual diary of a life journey. Activities such as capturing great moments in travel through small-group instruction and discovering unique photography opportunities in port are examples of what awaits.

## HISTORY AND PERSPECTIVE

Walk in the footsteps of history through carefully crafted itineraries and expert commentary that vividly illuminate the past, present and future of the world's civilizations.

## 30-DAY AUSTRALIA CIRCUMNAVIGATION

This expansive voyage — the ultimate Down Under adventure — offers a complete circumnavigation of the Australian continent with stops in the Great Barrier Reef; Tasmania, Australia; and Komodo, Indonesia. Your cruise begins and ends in Sydney, Australia's most populous city and home to the iconic Sydney Opera House and famed Bondi Beach.

Australia offers a wide range of opportunities for outdoor fun. In Cairns drift down the beautiful Mulgrave River in an inner tube, then board the Skyrail Rain Forest Cableway to take in the views. Enjoy four days of scenic cruising around The Great Barrier Reef, one of the seven wonders of the natural world and the largest living organism on Earth. (You can see it from space!) Cruise through the Torres Strait, a mecca for birders who are eager to add to their life lists.

## 15-DAY SOUTH SEAS SAMPLER

Renowned for their pristine, natural beauty; clear, azure bays; and fascinating indigenous cultures, the islands of the South Pacific are synonymous with paradise on Earth. Here, trade winds are scented with frangipani, ocean waters are warm and welcoming, and the locals are friendly. On this cruise from Auckland, New Zealand, to Papeete, Tahiti, you'll explore a selection of islands in Fiji, Tonga, Niue and French Polynesia, both ashore and on board your classic Holland America Line ship.

After boarding in Auckland, learn from our expert how the sacred rite of fire-walking serves as a test of courage and a celebration of Fijian culture before venturing ashore in Suva to witness this amazing spectacle. On Dravuni Island, hop aboard a Zodiac boat and take a scenic ride to the southern reaches of the Fiji archipelago, where you can relax on a remote beach or swim in the tranquil Fijian waters.

Coral is an integral part of the terrain of these islands and provides a habitat for a vast array of marine life. On board your ship, learn from our experts how changes in ocean levels and temperature are playing havoc with the

region's stunning corals and about conservation efforts, including the farming of baby coral, that are currently underway.

Just outside of Nuku'alofa, Tonga, explore the archaeological treasures of Mu'a. The remains of this former royal capital provide a window into the peoples and practices that once ruled this corner of the Pacific. Continue your explorations on board with our science expert and resident anthropologist as they explore modern tools that are rewriting history — from DNA analysis to luminescence dating.

In Alofi, Niue, stop in the Hikulagi Sculpture Park with works made entirely of found and recycled objects. In Moorea, French Polynesia, enjoy scenic cruising in Cook's Bay, named for legendary 18th-century British mariner Captain James Cook, before landing in Papeete, Tahiti. Throughout your South Pacific cruise unwind and enjoy snorkeling, swimming and beachcombing before returning to the elegant comfort of your Holland America Line ship.

## 12-DAY MEXICO SEA OF CORTEZ

Imagine riding horseback on a sun-washed beach; sipping frosty margaritas at a seaside café; exploring stately colonial cathedrals and dramatic canyons; snorkeling in waters teeming with marine life; and, at the end of the day, returning to the elegant comfort of your Holland America Line ship. This Mexico cruise offers what you want most in a vacation: the perfect balance of relaxing, discovering and reconnecting.

Departing from sunny San Diego, you'll spend a day at sea before cruising Bahía Magdalena, an often-overlooked gem, known for its rich variety of sea birds. In Cabo San Lucas board a high-speed inflatable boat, as your guide points out playful dolphins and coastal retreats of the rich and famous. Or explore the Baja Outback by camel. In Pichilingue visit the town of La Paz, stopping in a pottery factory, weaver's studio and public market, where unique treasures await.

Still "undiscovered," Loreto is one of the oldest cities in all of Mexico. Explore Main Street with its late-19th-century houses, Town Hall building and downtown plaza, as well as the magnificent 17th-century Mission Church.

Santa Rosalía and Topolobampo, two other seldom-visited ports, are also featured on this cruise. In Santa Rosalía, visit the Iglesia Santa Bárbara, designed by Alexandre Gustave Eiffel (famed for Paris' Eiffel Tower) and enjoy French pastries at Panadería El Boleo, reputed to be among Mexico's best bakeries. From Topolobampo, wind through the scenic Copper Canyon on a brand-new train along the Chihuahua al Pacífico Railway.

In Mazatlán battle a giant marlin on a fishing excursion or explore Mexico's largest estuary, whose mangrove swamps are a paradise for birdwatchers. From Puerto Vallarta embark on a sunset cruise across Banderas Bay to the hidden cove of Las Caletas, where flickering torches and swaying palms set the mood for a fabulous Mexican feast and folkloric performance.

Back on board your Holland America Line ship, the fiesta continues with Mexico-themed food and drink; Exploration Central (EXC™) talks, events and activities designed to deepen your understanding; and all the pleasures of a cruise on our classic, mid-sized ships.

# PORTS OF CALL

## FEATURED EXC IN-DEPTH™ PORTS OF CALL

### BORA-BORA (PICTURED ABOVE)

When you first see Bora-Bora from the ship as it navigates Teavanui Pass, you'll be astonished. Brilliant blue water in far too many shades to count and palm-dotted white-sand motus (islets) encircle a lush island topped by craggy Mount Otemanu. Close your eyes and open them again. Yes, it's all real. This South Pacific isle with its exotic Tahitian-French allure has been captivating honeymooners and vacationers from the time the first overwater bungalows were built here nearly 50 years ago.

For years, Bora-Bora has also drawn a multitude of divers eager to scope out its array of reef fish, rays and sharks. It's hard to compete with the sheer drama of the water,

or with shape-shifting Mount Otemanu, which looks completely different from every angle. In fact, Vaitape, the island's largest city, with a population of about 5,000 people, doesn't even try to compete. Not much changes in this sleepy port, where a few black-pearl shops, boutiques and galleries join a weathered church and several small cafés. Yes, you might want to buy a pearl and you should definitely sample the *poisson cru* (raw fish marinated in coconut milk and lime juice). But to be honest, the best spot on Bora-Bora is anywhere out on the lagoon.

For more information on these ports of call, visit the EXC Port Planners™ on [hollandamerica.com](http://hollandamerica.com). Port highlights provided by AFAR.

# PORTS OF CALL CONTINUED

## EDEN

Straddling national parkland and sparkling estuaries on the unspoiled Sapphire Coast of New South Wales just an hour north of the Victoria border, Eden lives up to its name. From secluded beaches and striped red cliffs to the emerald waters of Twofold Bay — the third-deepest natural harbor in the world — the town is an inspiring immersion into wilderness, even if you just have one day. The original settlers thought so, too, establishing a thriving baleen whale-hunting industry that was assisted by pods of local orcas. Visitors can learn about this amazing mammalian partnership at the Eden Killer Whale Museum and learn about some of the shipwrecks at the Green Cape Lightstation. Outdoor enthusiasts have ample opportunities for swimming, hiking, snorkeling and spotting humpback and southern right whales (between May and November; unfortunately, orcas no longer call the area home). And when you think all is said and done, there's still native wildlife to meet and local art to appreciate — not to mention some of the country's most prized oysters just waiting to be plucked from the sea.

## TAURANGA

The curved shoreline of the Bay of Plenty — known in Māori as Te Moana-a-Toi — is home to incredible surfing, white-sand beaches and New Zealand's only active marine volcano. Tauranga, with 130,000 residents, is the largest city on the Bay of Plenty and the fifth-largest in New Zealand. The city offers visitors a number of water-focused activities, like sailing and kayaking, as well as drier alternatives such as shopping and people-watching at a café in the Historic Village.

Tauranga is also a great jumping-off point for exploring nearby beaches and Te Puke, the kiwifruit capital of the world, as well as a wealth of Māori cultural sites. The world-famous geothermal wonderland of Rotorua, nicknamed Sulfur City, has been a major Polynesian spa resort town since visitors first arrived in the late 1800s. In Māori, *roto* means "lake" and *rua* means "two," but Rotorua actually comprises 18 lakes — plus an incredible redwood forest.

For the best views, take the gondola up to Skyline Rotorua, a recreation complex atop Mount Ngongotaha. Other day trips you should consider are a boat ride through the incomparable glowworm caves of Waitomo or an unforgettable tour of the Hobbiton Movie Set in Matamata — a must for all Tolkien fans.

# PORTS OF CALL CONTINUED

## CHRISTMAS ISLAND

Named by Captain William Mynors of the British East India Company on Christmas Day 1643, Christmas Island (or “Kiritimati,” the island’s original inhabitants’ translation of the word “Christmas”) is part of the world’s largest coral atoll. With fewer than 2,000 residents, this pristinely beautiful island is a nature-lover’s paradise. Christmas Island National Park covers almost two thirds of the island and is home to many unique indigenous species of flora and fauna, including an estimated 45 million red crabs and abundant birdlife. Fishing, particularly fly fishing on the island’s salt flats, is outstanding, and scuba divers can explore waters teeming with spinner dolphins, sea turtles and other marine life. Its uncrowded beaches and coastal waters, as well as dramatic blowholes, make Christmas Island a mecca for sunbathers, surfers, beachcombers and island collectors.

## LORETO

This peaceful seaside community, founded in 1697 by Jesuit priest and explorer Juan Maria Salvatierra, was the first European settlement in the Californias. Stroll the cobbled plaza to the Misión Nuestra Señora de Loreto, burnished with years of devotion, commune with nature as you snorkel the crystal-clear lagoons of Isla Coronados, or join a traditional clambake to try chocolate clams harvested 500 yards off shore and cooked over a fire.

## PICHILINGUE (LA PAZ)

A tranquil way of life abounds in La Paz, which means “peace.” Among its simple pleasures: strolling the palm-shaded malecón; lazing on the beautiful beaches of nearby Pichilingue Peninsula; and snorkeling sapphire seas at lovely Los Islotes, home to a colony of inquisitive sea lions.

## TRANSFORMING TRAVEL: IMMERSE YOURSELF

Holland America Line's carefully crafted EXC Tours help guests connect deeply with the people and places they visit and offer a level of comfort, care and convenience not found anywhere else. The following pages highlight a few of our most iconic and highest-rated EXC Tours.

### BRUNY ISLAND EXPLORER: IN PARTNERSHIP WITH FOOD & WINE® MAGAZINE

HOBART, AUSTRALIA  
Duration: 7 hours

*Hobart is the gateway to beautiful Bruny Island, where you'll embark on your culinary adventure.*

Transfer to Kettering to board the vehicle ferry for a scenic 15-minute crossing to Bruny Island. Your first gourmet food destination is the Bruny Island Cheese Company. Enjoy an exclusive cheese-tasting

experience, meet the makers, tour the cheese-maturing room and learn how the artisan cheeses are crafted. Appreciate the serenity of the surrounding bush setting as you share a platter of cheeses, wood-fired pizza straight from the oven and a handcrafted ale.

Your next stop is Get Shucked Oysters to savor the clean, salty flavor of oysters straight from the shell. Snap photos from this vantage point overlooking the pristine waters where these succulent oysters are grown.

From the Neck Lookout take in the views of the narrow isthmus

stretching away in graceful curves. A stroll along a deserted white-sand beach nearby gives you a break to walk off your pizza and work up an appetite for the next round.

Your final tasting for the day is at the Bruny Island House of Whisky. Sample a Tasmanian single malt whisky and see the most extensive documented collection of Tasmanian whiskies.

*Notes: Venues and tastings are subject to change on the day due to availability. Tour duration may be extended during peak times due to ferry lines.*

## ZODIAC EXPLORATION: FIJI ISLAND PARADISE

DRAVUNI ISLAND, FIJI

Duration: 3.5 hours

*A handful of privileged Holland America Line guests will be lucky enough to explore the southern reaches of the Dravuni Archipelago — a destination rarely seen by visitors.*

Join the Explorations team for a scenic transfer of about 20 minutes, heading south from Dravuni. Depending on sea conditions and wind direction, the team will choose one of the remote islands as the day's destination. Relax on the beach or swim in the tranquil Fijian waters.

*Notes: Wear your swimsuit under your clothing. There is no shade on the boat. Some natural shade in the form of trees is available on some of the islands. Temperatures and humidity will be high. Dress for warm weather with cooling fabrics that protect your skin from sunburn. Bring water, a hat, sunglasses, sunscreen, insect repellent and binoculars. Wear shoes that you don't mind getting wet. Bring a waterproof jacket and suitable camera protection, as tropical showers may occur and the Zodiac ride may be wet. Minimum age is 6 years. Tour operates weather permitting. Not advisable for guests using a wheelchair.*

## WATER MUSIC EXPERIENCE

LUGANVILLE, VANUATU

Duration: 1.5 hours

*Take advantage of this truly unique water percussion experience — one that few visitors are fortunate enough to witness.*

Your adventure in paradise begins by minibus, traveling north along the coast road before turning inland to a village inhabited by people from the Banks & Torres Islands at the northern extremity of Vanuatu. Upon arrival you'll be greeted by fierce warriors and a refreshing coconut drink.

Ladies from the remote, northern tropical islands of Vanuatu wade into the water up to their waists dressed in the traditional dress, including arm bands and headwear made from

flowers and leaves. They perform the mystical water music unique to the isolated Banks & Torres region. An amazing array of percussion water music fills the air — the highlight of any visit to northern Vanuatu.

You'll experience a *kastom* (customary dance), be invited to view the traditional preparation of kava, and witness other sacred customs. There will be some great photo opportunities. Soft drinks and water are available for an extra charge.

*Notes: The water percussion performance is approximately 20 minutes. Bring bottled water. Wear sunscreen, insect repellent and a hat.*

## SWIM WITH SEA LIONS

PICHILINGUE (LA PAZ), MEXICO

Duration: 2.5 hours

*Meet your knowledgeable guide at the pier and step aboard a waiting boat. You're headed across the glistening water, past the island of Espiritu Santo, one of the most intact ecosystems in the Baja Province.*

Enjoy spectacular views as you approach San Rafaelito Island. Once you arrive, your guide hands out snorkel gear and runs through a safety briefing.

The island is home to a small colony of California sea lions. Hop into the water and snorkel among these gentle, curious creatures that are quite used to people snorkeling with

them on a daily basis. The island is surrounded by both hard and soft corals, so you'll encounter some of the varied marine life that lives among the coral.

After snorkeling, you'll head back to Balandra Bay for some free time to relax on one of the bay's eight inlets. The beach here offers spectacular views and beautiful white sand.

Return to La Paz and to the ship after your outing.

*Notes: Wear your swimsuit under your clothing and bring a towel, sunscreen and hat. Waiver must be signed and medical conditions disclosed.*
